## A NOTE OF THANKS TO THE . . .

### Men's Main Floor Bathroom Improvement Committee!

A special thank you goes out to Don Uber, Chairman, and committee members (Hannah Claxton, Gary Meek, Beth Staley, David Wallace, Deborah Wallace) for their time, labor, and expertise in the recent upstairs renovation. In just a little more than two months our Men's upstairs bathroom, Babies, and Toddlers rooms have been transformed. Our Toddler bathroom is now safer and more accommodating for little ones, and the Men's bathroom is expanded and greatly improved. A project of this magnitude requires thoughtful and detailed planning, pricing materials and contractors, as well as patience and diligence to see that the job is carried out according to specifications. Thank you, for your service to RBBC!
